

Say **NO** to Plastic Bags & Make **DeepingGreen**

We are asking all of the retailers in The Deepings to join us in trying to make our community a **Plastic Bag Free** area by ceasing to give out free plastic bags to customers.

We are holding a meeting in **The Deeping Stage** at **6pm** on **Monday 14th April 2008** for all Deeping retailers to come along and get involved in this exciting project.

For more information, and to register your interest in attending the meeting please visit www.makedeepinggreen.co.uk.

We can't do this alone, but together we can Make **DeepingGreen**.

The Make **DeepingGreen** campaign team.
